REQUEST FOR SUMMER 2022 SCHOOL CREDIT

BARNARD MATHEMATICS DEPARTMENT

Name of student _____

Contact information:

       Email me at _____

       Call me at _____

If this request is for approval of a Columbia University summer course, you do not need to fill out the rest of this request. You will still need to submit a completed Barnard College Summer Course Approval Form to the Registrar. Columbia course approval is automatic.

Check list:

— Completed Barnard College Summer Course Approval Form
— Description of summer course. Two copies are needed (one for Registrar and one for the department)
— Schedule of summer course. Two copies are needed (one for Registrar and one for the department)
— Summer 2022 School Worksheet

SUMMER 2022 SCHOOL WORKSHEET

BARNARD MATHEMATICS DEPARTMENT

1. Name of summer school _____

2. Name and number of course _____

3. Which Barnard course is similar to this course? _____

4. Starting and ending dates of summer session _____

5. Is this at least 5 weeks?   Yes   No

6. Have you already taken this course?   Yes   No

7. Please circle the class meeting times below, taking into account holidays such as July 4.

May 2022						
S	M	T	W	R	F	S
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31				

June 2022						
S	M	T	W	R	F	S
			1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30		

July 2022						
S	M	T	W	R	F	S
					1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30
31						

August 2022						
S	M	T	W	R	F	S
	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31			

8. How many days does your class meet in total? _____

9. How many minutes in each class meeting? _____

10. How many hours does your course meet in total?

_____ x _____

minutes per meeting   total days in session   = _____

_____   total course hours

60 mins.

For comparison purposes,
A 3-point Barnard Tuesday, Thursday spring semester Calculus course meets for: (75 mins. X 28 days) / 60 mins.
     A summer school equivalent should meet for at least this many hours: 36 hours

A College Algebra and Analytic Geometry course meets for: (75 mins. X 42 days) / 60 mins. = 52.5 hours
     A summer school equivalent should meet for at least 45 hours.

11. How many points are you requesting?   3 points   4 points

12. If you are requesting credit for a calculus course, does the second segment of your course's sequence

include Taylor's theorem and infinite series?

                              Yes   No

Please answer even if you are only taking the first segment of this sequence.

If NO, your course moves too slowly to receive full credit. However, you may still receive 3 points for taking two

courses in such a sequence.
